

# What is Uncover? *Video Script*

Have you made space in your life for God to speak to you?

Have you looked at the source material for Jesus' life?

Have you allowed Jesus to define himself to you?

Jesus is one of history's most influential people. Luke's Gospel is one of the earliest records of his life. Even if you aren't religious or the Bible feels uncomfortable, Luke was written for you.

Uncover Luke is an invite to explore Jesus without pressure, awkwardness, or pretending. Just real conversations, honest questions, and space to think for yourself.

Over six sessions, you'll read Luke's Gospel with a friend over a drink or a meal, and see what Jesus actually said and did.

Christians believe God speaks through His word; we invite you to experience this for yourself.

Big questions. Real life. Open discussion.

You don't need all the answers. Whether spiritual, skeptical, or somewhere in between, Uncover Luke is a space to explore Jesus.

Why not open Uncover Luke now and ask someone to discover more with you?
